

Key 3 – Nick – President

Reports

- Prog
- Ops
- Nope

Old Business

- Rory's show
 - Taped everything
 - Will be captured this Friday & Saturday
 - Will be edited Saturday and finished Sunday
 - Will be done by Monday
 - Will air next week & weekend
- Send email to Sylvia for policy -- air after 10pm for content?
(content questionable)

Meet RPI TV

- Taping on Sunday at 3pm
- Mike Dillon, Wally Moris, Doug Kingman, Matt Newman
- Freakout Showing
 - Will be aired next week

Mars Forum

- got cd from mars forum
 - All captured
 - Editing tomorrow night – Pam looking forward to it
- Improv Attack
- 1/3 done
 - No time available to work on it
- Wally's presentation
- Jose editing - out by Monday

Equipment

Executive Order 1 – need to carry IT Ops equipment
JVC DV550 is back

New Business

Club t-shirts

- Becky placed order – more complex than previously expected
 - Additional \$36 – every t-shirt extra \$3
- No way to make the logo simpler
- Becky put it on her credit card – people should pay her

Ideas about productions

- 4 different events are budgeted
- Tapes can be used for any event required
- Can buy tapes if needed

- Cables are priority – need 1000ft of XLR & BNC
- Need to get on-air personalities – commentators
 - Jose says it takes a long time to train commentators – recommend keep using WRPI

Appointment of assistant webmaster

- Not an elected position
- Andy's friend Eric P
- Mike F says he probably won't need help
- Nick says he wants someone to have insurance
- Jose doesn't see a reason to do it – too many complications – too premature – suggests waiting 6 months
- Mike F says he'll work on website over summer

Elections

- Equipment Manager – Brian Molnar nominated & selected
- News Manager – no one available to be nominated

Open floor

- Issues about Andy's Powerpoint
- Mike F asked for comments about what the new website should have
 - Nick requested his old design to be destroyed
 - Brian M suggested a counter & animated gifs & a pair of eyes that follow the cursor
 - Constitution on website needs to be updated
