1 December 2009

Officers Present

Tom Falls, Reilly Hamilton, Dan Falkenstrom, Mike DiTore, Scott Altman, Brian Michalski, Sean Andrese, John Isabella, Colin Sullivan, Kyle Mackenzie

- The constitutional amendment will not be brought to the E Board tomorrow because the president has decided that he will not be seeing any other items besides budgets, therefore we will still hold an elections meeting next week.
- A segment of a RPI TV production has been posted to YouTube, which brings up copyright issues.
- Along the lines of copyright issues, ECAC hockey has posted a few clips from RPI TV productions with B2 watermarks, at such low quality that the RPI TV logo is unreadable. Reilly is sending out an email to ECAC hockey as suggested by Kevin Beattie (Associate Athletic Director for Communications and Compliance).
- Rpitv.org has a full hard drive, we will be putting in a temporary hard drive until the new server is up and running.
- One of our PDX10s loses focus when zooming, we are going to get a quote for a repair to determine if it is worth it.
- Wednesday Night Live, and two hockey games this week.
- There is a possibility of shooting Men's Basketball in the future.
- Athletics boxed sets are in the works.
- Preliminary budget is complete.
- Senior Equipment Operator request from Tiffany Milano has been approved.
