Our productions over the weekend went really well.

The senate briefly happened.

WNL did not happen last week, we want it to happen tomorrow, but tomorrow is a busy day.

There is yet another benchmarking tomorrow at Middlebury.

There is hockey this weekend and we are going to try to do it. We're playing Brown.

If we beat Brown & SLU beats Clarkson then we will play Union next week at Union. We want to do a video production if we have enough crew for that.

Date Auction has some progress. We still don't have a finished product, but we've re-encoded the footage to account for the different cameras which were used.

Reilly wants to push Creative Content really hard. There is an idea about doing a Wenesday Night Live Parody via a "Rockband Live". Mackenzie has decided to leave the room at this time. She had a phone call.

People in MMS are excited to give us access to the studio.

Ryan Kemper wants a key. We've decided not to give him one.

The meeting is over early, thanks for coming.
