- Riley spends the first 5 to 10 minutes of class reviewing what happened during the executive committee now. Check Executive Committee Notes for more detail.
- Tiffany says that we plugged in kyle's cable and the polarity was reverse and the Intercoms started have blue smoke.
- The Media Op Intercoms need to be taken care of. Tiffany says to take care of them nice and neat.
- Reilly says that using Media Ops Equipment is a privelege, not a right. It can be taken away.
- Zach reiterates that Intercoms need to be packed correctly.
- Alex is working on something to report. She will report on something next week.
- Kyle talked with John Kolb and DOTCIO is behind us and is willing to support us in any way possible.
- Mackenzie has some exciting proposals like doing a spoof of Jersey Shore and CSI. Kenley doesn't want to do Jersey Shore because as Charlie astutely points out that most characters are from Staten Island.
- The Members have voted to do the CSI spoof. It was a vote of 8-4 and some people didn't vote. I think out of laziness.
- Sean wants volunteers to see how Baseball may work. Email him if you want to help.
- James says Reilly said a lot of what he wanted to say ,but he is trying to set up an interview with Sage, who did Iron Chef, to do a post event interview.
- Mike asks about Ballroom Dancing. Mike hopes for it to be something artistic and live cut and he is pleased with James' and Reilly's answer, which was that it would be.
- Mike also says that our service request form works again and if you know if anyone had any trouble, please tell them it's working now.
- We will soon have requests to do candidate speeches, so be on a lookout.
- We will also do GM/PU Debates. If you are a candidate, this is a good event to get your two hours fulfilled.
