- Tiffany says that the closet has been very messy, keep it clean. It's not a bedroom. When you take equipment out put it back.
- Mike DiTore says we were missing a camera, but it was in the office and it was moved to another side of the room.
- Kyle has nothing to report and there are no new website features.
- Zach Rowe says not to leave stuff on the RPITV closet floor, especially not equipment.
- Alex Niaura says to send her pictures of RPITV things, she doesn't want our bulletin board to be empty anymore
- Haris was watching eyebleach.com during the executive committee meeting.
- Andrew Tamoney says he wants the film festival to be fun for everyone and he wants more submissions.
- Mackenzie says that the creative production went well, except we didn't meet on Sunday. We're going to continue next weekend, not last weekend.
- Sean says April 24th is the Capital District Classic at Harkness. It's a track meet and we are looking to record that. We're most likely not going to film tennis and still are looking into recording baseball.
- James says that this past week he shot an interview with someone from iron chef. We have a ballroom dance competition coming up.
- We have access to the studio room, but no one is trained so we can't do anything until the studio room trainer comes back on campus.
