- Asian Awareness weekend went well, but we have a broken powerbrick for the pdx10. Reilly has burned 5 DVDs so far. We had a 50 hour turnaround time, which is probably a record for us.
- The Senate meeting went well and we had a lot of people watching. At least 15-20 people. Maybe more.
- We have a production tomorrow evening. It's called RPI's got talent. closet time is 4:30 pm. Charlie Emala is the producer and the show itself begins at 7pm and it is in DCC 308
- *Volunteers: Andrew Armenia, Tiffany Milano, Charlie Emala, Kenley Cheung, Alex Niaura Reilly Hamilton*
- We're going to continue RPI PD. Please email Mackenzie Sullivan if you have any questions
- Candidate Speeches are coming up. Reilly has setup some rooms for us throughout the day and we can schedule them. We are in touch with 3-4 candidates who are interested in our services.
- The players have requested RPITV's services for archival purposes of their production, "Arsenic and Old Lace". It's going to be a paid production and it's going to be on April 9th. Closet time is 7pm and we'll only need 1 or 2 volunteers. The play starts at 8pm and it's in the West Lobby.
- We lost a tripod plate during the creative production last week. It's a pdx10 plate. We needed to use the dolly with the Z5U, so we needed to use a pdx10 plate. We're running an investigation to get to the bottom of this. We're hoping it will turn up.
- Tiffany says to make sure every camera has a tripod plate whenever you switch tripod plates. The powerbrick for camera 2 is broken. Andrew Tamoney has volunteered to fix it. It should be a simple fix.
- Reilly says if you have any questions, please ask. Tiffany also says that Mike DiTore broke the website. Mike DiTore got very defensive.
- Zach says listen to Tiffany and that the station is up and running.
- Alex Niaura says she has nothing to report.
- Haris Khan is using wordpad for these minutes, so read them.
- Mackenzie says that we are going to be working on a production this weekend and that it will be a blast. Expect a 1 or 2pm meeting time on saturday and sunday. For more news, read your emails on the rpitv-creative list. It looks like it's going to be pushed back

a week because this weekend is Easter. Scratch that, it will all be coordinated on the rpitv-creative email list.

- Our next focus is on the news. Andrew Tamoney is the point man, so talk to him if you are interested in news.
- Sean says that he took a look at the baseball field for viability, and it's still very questionable. Our first viable game would be April 18th which is a double header. That's about it for sports and we are never going to do golf.
- James says that we have RPI's Got Talent tomorrow 7-9pm. We also have Arsenic and Old Lace which is on April 9th. We also have the ballroom dance competition on April 10th. We've got Urinetown on April 24th and a Dance Recital sometime in May. That's it for James. People should talk to James about candidate interviews. Especially if you want to help out.
- Jon says we're still waiting for studio access. OK so I dozed off because I was really tired, but Jon seemed to have a lot of good ideas about future news productions. If you're interested send an email to the rpitv-news mailing list.
