Student Senate kinda just happens on its own because Brian Michalski is real great. The meetings usually last from an hour to an hour and half. Contact Brian Michalski for more information.

We're doing WNL tomorrow and we need a volunteer. Andrew Tamoney is producing the show, so contact him if you are interested.

On Friday, we're doing the Sheer Idiocy Comedy Show. It will be taking place at 8pm, but we will be there at 5:30pm. We often direct from a little closet, it depends on what Producer Reilly wants to do. We will probably use at least three cameras, perhaps four.

Volunteers: Andrew Tamoney, Zach Rowe, James Petranik, Ben Vreeland, Alex Delaney, Eric Ameral, Reginald Franklin, Alex Delaney, Brian Wilczewski

Cultural Pride Night is this Saturday. It entails various cultural performances including dancing, singing, and instrument playing. Setup time is 4:30pm.

Volunteers: Andrew Tamoney, Mathias Galvin, Lydia Cordero-Campis, Alex Niaura, Ben Vreeland, Robert McDonald, Alex Delaney, Greg Tebbutt,

We're doing Hockey on October 5th which is a Tuesday and is against a Canadian College Hockey Team.

Tiffany has nothing to report.

Zach Rowe has been airing hockey games on channel 6, which is a on campus cable tv channel.

We are buying 20 DVcam tapes and 200 minidv tapes courtesy of Kyle.

The female Alex is the only Alex in the heart of this secretary. (Sorry new Alex)

We're also buying some zoom controllers because the Z5U's do not have zoom controllers. Eventually we are buying more storage.

Alex put stuff up on the RPITV board in the union and it looks pretty awesome.

Orian our Executive Board Rep came to our meeting and he seems like a real great guy. Hopefully he'll get us more money last year than Brian Zaik did.

Mackenzie is starting work on a creative production, so contact her if you want to help out or if you have any other ideas (sullim7@rpi.edu)

James goes down the list of productions we are working on / potentially working on and he suggests that everyone log on to the website to obtain the RPITV google calendar.
