Members Present

No one was invited.

Haris seems to have not correctly uploaded streaming last week, so he will do a better job uploading this week.

Reilly is eating a Papa John's Pizza which he most likely got for free and is talking about the scratch folder.

WNL apparently went wonderfully and UPAC Showcase went well too.

Reilly wants to train someone in multi-camera editing, send him an email if you are interested. Especially newer members of the club!

James says that our new members got some good shots, but there may have been some communication errors. The organization during UPAC Showcase wasn't terribly good and the coordination just wasn't there. James thinks there should be a special session on training – it shouldn't be within a “production”. Though it was good for camera work, it was not good for setup. It needs to be a two part setup. One slot should be just equipment training and the other would be the actual “practice production”

Tomorrow we're doing WNL and Meg Duffy will be there. The committee votes in favor (9-0-0). We're going to meet at the closet at 7:15pm. There is additionally a Megan Duffy who plays WNBA, I don't think it's the same one.

The Players have made a request for a paid production this Thursday which will have a closet time at 7pm. It's going to be a \$45 production and it's called [Title of Show] (9-0-0)

We've decided not to shoot De Donde y Como because we're doing Sheer Idiocy the same night.

We're doing the Sheer Idiocy show this Friday, we're meeting at 5:30pm in the closet and the show will start at 8pm. (9-0-0)

Cultural Pride Night is this Saturday and we are going to be meeting at the closet at 4:30 and it will start at 7pm.

Robert McDonald wants to be a Supervisor, but he can't be found. The committee votes to let him into the room. (8-1-0). Reilly trusts Robert. (8-1-0)

Kyle wants to purchase 200 MiniDV tapes and 20 DVCAM tapes and the purchase was approved by the committee.
