Reilly goes over the list of things we did last week.

WNL is going to be featuring the “Killer Autos”. That is probably the wrong spelling for the band name. Reilly is going to be Producing and we’re meeting at 6:30pm in the closet at we’ll be starting the production at 8.

**Volunteers for WNL:** *Reilly Hamilton, Alex Niaura, Zach Rowe*

We’re doing football this Saturday. We usually meet at 11am at the closet. The games start at 2pm and end by 5pm. The games are held at ECAV. We’ll be broadcasting on Campus Cable 6 as well as PPV provider B2 Networks. You don’t have to like football, you just need to like video to come to this event. Haris is the only officer who has never been to a RPITV Production of Football. He once ran for Sports Manager. How Ironic. I digress, so it might rain on Saturday I suggest wearing comfortable clothing.

**Volunteers for FOOTBALL :** *James Petranik, Andrew Armenia, Mackenzie Sullivan, Lydia Cordero-Campis, Alex Niaura, Ben Creeland, Robert McDonald, Greg Tebbutt, Sean Andrese, Eric Amaral, Reginald Franklin, Brian Wilczewski, Andrew Tamoney, Tiffany Milano (Maybe), Kyle Mackenzie, Ryan Kemper*

Tiffany is sporting a nice dress and is looking for rain slickers – ie the station manager is looking for the rain slickers. Alex claims they are on the top shelf. We don’t know how many we have. We hope we have two for the Z5U’s though. Zach is going to be looking for them.

Tiffany will be showing everyone how to wear a poncho and how to put on an umbrella. Tiffany says to bring a sweatshirt because it might be bad weather. Tiffany is done with her report, but ends with a story about when she fell down the stairs.

Zach goes over the various hockey games we’ve been airing on TV. Zach will be looking for the rain slickers and the BNC & XLR mixup was fixed.

Kyle ordered \$1400.00 of stuff from B&H. Mostly media, but we bought two zoom controllers and we’ll have them all buy Saturday.

Haris goes on to talk about the events of the executive committee meeting. Read the minutes of the meeting to find out what exactly it was.

Tiffany mentions that Mathias says we should do 15 second shorts. It may be a good way to organize ourselves for longer creative productions. Further Discussion will take place on the rpitv-creative list.

Sean says we're doing Football this weekend.

James says there are two upcoming productions and they'll be in EMPAC. That means they'll be awesome by default.

The news manager position is technically filled, but may become vacant in the near future.
