Tiffany, Andrew, and Reilly are going to be following up with some of the meetings Kyle has been having.

Later this week will be trying to test the cables up at the Houston Field House to get ready for the upcoming hockey game.

This Saturday, the "Cherry and White" Game will be going on at 4:00 which will be followed by an AHL game. We are not going to film this so people can rest up for hockey on Tuesday.

Next Tuesday we have a Men's Hockey game. Reilly or Tiffany will produce it. We are unsure if Andrew Armenia will be able to make it with his replay setup, but hopefully he will be available.

The following Saturday, 10/9 at 4pm, there is a Women's Hockey game. We will try to film this event, taking volunteers tonight at the members meeting.

Reilly would prefer a softer RPI TV t-shirt, and the rest of the time was spent discussing how they will be ordered.

Kyle has ordered the NAS and identified two monitors to buy. Reilly is concerned about the location of the SATA dock that is lost; even though we got it free, it is still RPI TV property.

We have decided to drop WNL unless a ton of crew volunteers tonight at the meeting.
