

RPI TV Business Meeting Minutes 11/30/10

Compiled after the meeting from memory by Reilly Hamilton.

The start of the meeting was delayed by roughly 12 minutes to allow time for members to arrive.

Reilly went over past productions. Women's Hockey on 11/20 was shot exclusively in HD. Footage will be edited together as a demo of what our productions would look like if we had a full suite of HD equipment in order to leverage future financing efforts. Partial Credit that evening was also shot exclusively in HD. Reilly will be editing that production over the next week.

Reilly, Tamoney, Armenia, Tiffany, and Kyle helped out on over 12 periods of hockey during the 60th Annual RPI Holiday Tournament. Sean, Zwack, Mackenzie, and Geoff Seber all helped out for around 6 periods of hockey. Both RPI games are streaming on the website; the consolation game is ready to be put on the website, but the Friday 4pm game is still a ways out from release due to a recording device failure.

Reilly introduced James Petranik who explained his motion to amend the constitution. The amendment was debated in detail. Some valid points can be found [here](#) via Brian Michalski. Debated ended. It was explained that the amendment would require 21 votes to pass. 19 voting members were present at the meeting. A motion was made to bring the amendment to a vote, and it was seconded. A vote was taken. The amendment passed by a vote of 24-0-1. 5 of the votes were from absentee ballots.

No further business was handled at this meeting.
