Andrew Clark started with past events. The football game went very, very well. We had lots of cameras. The next one isn't until October 28. Thank you to all those who helped out.

Upcoming events! The first men's hockey game is this Saturday, October 7 against York. We're going to be taping this. You get free admission to the hockey games.

Nick Wood re-entered.

Charlie Emala and Andrew Clark will be running the hockey game. Steve Beeman asked what time. Andrew Clark said the game starts at 7:00pm, we'll be meeting in the studio at 4:00pm. Hopefully we'll be set up in time to take a short break and get pizza. Andrew Clark asked for volunteers.

Mike Rahaim entered.

Mike Filippone said this weekend is Columbus Day weekend. Mike Rahaim asked what we're talking about. Andrew Clark said hockey, and we need Mike Rahaim's camera.

Brian Zaik can expect to be called up regarding next week's hockey game, if we tape it.

Shows! Doraj. Dan Ostrov asked Gino Pellicano if he can do computer music. Dan Ostrov said that for Doraj, he needs music. He talked to Andrew Dexter about it, and he said that composing music and having a group perform is too complicated. Eric Pratt made some music, we can probably expand on that theme. Gino Pellicano asked how much music we're talking about. Dan Ostrov said his first interest is having something, like a minute long, similar to the Buffy theme, for opening titles. Gino Pellicano said he'll think about it, and let him know.

Troy Treasure. Mike Filippone said the idea is harder than he thought it would be, so it will probably be next semester.

Nick Wood re-entered again.

The people for the Dead End show aren't present.

The talk/variety show people said their show's name was Cracked Sash.

Sean Andrese entered.

Joe Goullaud entered.

Kendra Krueger said she and the three people with her were interested in starting a show. Dan Ostrov said to talk to him after the meeting.

Mike Rahaim said that he and Amy Ciccaglione are planning to start a show. It's going to be a show of short clips. The name is WTF, stands for Way Too Funny.

Gino Pellicano asked if RPI TV was doing things with the players. Dan Ostrov said we're filming Macbeth. Andrew Clark said to talk to us after the meeting.

Andrew Clark said that he said tonight would be a short meeting. He guesses he was right. He said to eat the donuts and have a good night.

Meeting adjourned at 9:41 PM.
